## REPORT OF CHIEF OF FIRE DEPARTMENT

---

The first step toward an organized Fire Department was taken last April 15th when a public meeting was held at which time a chief (myself) and two lieutenants, Ralph Knight and Emil Nelsen were elected.

Following our being sworn in on April 19th we met and chose seventeen other volunteer firemen, making twenty in all who were sworn in July 17th.

Starting from scratch so to speak there were several things we needed. First we had the truck motor overhauled and got the pump so it would work.

The town has bought us 1,000 feet of new hose which we were very much in need of.

The proceeds from the dances which the firemen have been holding have been used to buy a 24 foot extension ladder, 20 foot roof ladder, strainer and several other small things, also to pay for an insurance which covers the firemen at fires or at work on anything pertaining to this department.

We have permission from the Public Service and New England Tel. & Tel. Co., to use their poles to string our wire on so we can move the siren from the Observation Post to the Four Corners.

Weather permitting we hope to do this soon and work out a satisfactory fire alarm system.

In conclusion I wish to express my appreciation and thanks to all who have helped in any way to make these things possible.

Respectfully submitted,  
ARTHUR E. STIMSON,  
Chief.

## **ANOTHER ENEMY TO CONQUER**

Here is a home front fight that everyone can get into. Last year in this State 558 brush and forest fires burned over 4,648 acres of land, of which 2,788 acres were valuable timber and young growth. With available manpower the lowest of any year since the war started, you can help to keep this loss down by preventing these fires from starting.

Keep in mind these simple rules:

1. Always get a permit from your forest fire warden before starting any fires in the open. Burning under certain conditions is permitted.
2. Never burn unless you have enough help to control your fire—a permit does not excuse you of negligence in case it gets away.
3. Always report any uncontrolled fire promptly to your forest fire warden. Minutes lost are acres lost.
4. Be especially careful with cigarettes, matches and pipes. Smokers caused most of our fires.
5. Never leave a fire unless it is dead out. You can't feel safe while there is a spark left.

**KEEP NEW HAMPSHIRE GREEN**
